Sweet Briar College

Deeply committed to the education of women since its founding in 1901, Sweet Briar is consistently ranked as one of the top national liberal arts colleges. Its excellent academic reputation, spectacular campus and attention to the individual attract smart, confident women who want to excel in a diverse global society. The Sweet Briar experience intentionally integrates academic rigor and research with a dynamic and close-knit residential community. Students fulfill their promise as scholars and leaders while benefiting from a resource-rich environment and co-curricular opportunities that enhance their possibilities for success.

Sweet Briar's curriculum is organized on the premise that a foundation in the liberal arts and sciences enhances the development of critical and creative abilities, advances the ability to synthesize disparate information, equips the student for graduate and professional education and encourages the individual to continue to learn long after leaving Sweet Briar. A broadly based academic program teaches the student to view her experience within wide contexts, to appreciate the achievements of

the past, to understand the methods and major theories of science, to gain an appreciation of the arts, and to communicate with precision and cogency. At Sweet Briar this study takes place within a residential environment that encourages physical well-being, ethical behavior, sensitivity to others, responsibility for one's actions, personal initiative, and the assumption of leadership.

Sweet Briar continues its commitment as a women's college to devote all its resources to the education of women in the full range of the liberal arts and sciences, including those subjects that have been traditionally considered as male domains. The student/faculty ratio is 8:1 with more than 80 percent of classes taught by full-time faculty. This highly qualified faculty, 96 percent of whom hold an earned doctorate or appropriate terminal degree, contributes to fulfilling the College's goal. The College continues to seek a diverse student body, drawn from a national and international pool of applicants. As an independent college, Sweet Briar possesses the flexibility to respond to the many challenges that face higher education in a rapidly changing world.

Facts about Sweet Briar College

THE CAMPUS

Sweet Briar's intellectually and socially vibrant campus is nestled in 3,250 acres of rolling hills and meadows in the foothills of Virginia's Blue Ridge Mountains. The broad landscape includes two lakes, six nature sanctuaries, and an extensive network of walking, horseback riding and hiking trails.

The campus, designed in the early part of the 20th century, is dominated by the architecture of Ralph Adams Cram, whose work can also be seen at MIT, Princeton, Wellesley, and West Point. Twenty-one of Sweet Briar's 30 campus buildings have been designated as the **Sweet Briar College National Historic District** by the National Register of Historic Places.

The master's of education degree is designed for teachers currently in the profession who are already certified and seek a master's degree for professional advancement and eligibility for supplemental pay increases from their respective districts.

The master's of arts in teaching degree, a five-year program, allows Sweet Briar students seeking certification to complete current Virginia requirements along

with student teaching, while they simultaneously earn a master's degree, which enhances employment opportunities and salaries upon graduation.

OFF-CAMPUS STUDY**Washington Semester**

Affords Sweet Briar students the opportunity to spend a term at American University in Washington, DC, focusing on the judiciary system, international development, American studies, or economic, foreign or domestic policy determination.

7-College Exchange

Provides an opportunity for students from Sweet Briar, Hampden-Sydney, Hollins,

Mary Baldwin, Randolph Macon (Ashland), Randolph-Macon Woman's, and Washington and Lee to spend a term or an academic year at one of the other colleges.

Tri-College Consortium

Allows a student to take a course at Lynchburg College or Randolph-Macon Woman's College if it is not currently available at Sweet Briar.

EXTRACURRICULAR ACTIVITIES

Sweet Briar women have enough ideas and enthusiasm to support nearly 50 student-led and student-managed organizations – everything from art and musical groups to student publications and cultural awareness organizations. Many students take part in volunteer service projects during school terms and vacations.

Athletics

Indoor facilities include basketball and volleyball courts, Nautilus and

Cybox weight-training equipment, a cardio-fitness center – elliptical trainers, steppers, treadmills and bikes – a 25-meter pool, and two dance studios.

Located on campus are fields for hockey, lacrosse, and soccer, as well as 14 tennis courts. The Harriet Howell Rogers Riding Center, one of the nation's best college riding facilities, includes a 120' x 300' indoor arena with PERMA-FLEX™ footing, an outdoor lighted show ring with a sprinkler system, two additional outdoor rings, modern show-jumping equipment, and extensive trails.

Sweet Briar is a member of the National Collegiate Athletic Association (NCAA) Division III, and competes in the Old Dominion Athletic Conference (ODAC). Nearly 20 percent of our students play sports at the varsity level, competing in field hockey, lacrosse, soccer, swimming, tennis, and volleyball. Students also participate in club sports, including fencing and softball.

SWEBOP

The Sweet Briar Outdoor Program offers extensive outdoor activities both on and off campus such as kayaking, rock climbing, hiking, rafting, hang gliding, caving, skiing and more. Leadership training and advanced outdoor skills are offered as part of the SWEBOP Instructor Program. Outdoor facilities on campus include the Outing Cabin – a log cabin retreat on Paul's Mountain – 18 miles of biking, hiking, and riding trails, two lakes, and camping facilities.

ADMISSIONS

The admissions process at Sweet Briar highlights each woman's distinctive academic background, personal strengths, and aspirations. Our selection process focuses on a student's high school record, academic recommendations, SAT/ACT scores and extracurricular activities, as well as her personal qualities. We strongly encourage every prospective student to visit the College for an interview. Questions and requests for information should be directed to admissions@sbc.edu.

Scholarships

Sweet Briar recognizes excellence in academic achievement and outstanding leadership in school and community activities with a variety of awards from \$1,000 up to and including full tuition.

RESIDENTIAL LIFE

Sweet Briar is an intentional residential college. Students are housed in seven residence halls and one historic house. Professional staff and students in paraprofessional leadership roles live with students to act as a resource, lend support, and provide co-curricular opportunities. A First Year Experience program connects a student's academic work with her daily life through the residence halls, classrooms and LEAP Center — a space specially designed for first-year students.

From the President of the Alumnae Association

Dear Sweet Briar Alumna,

Thank you for purchasing the Sweet Briar College Alumnae Directory. We hope that you will find it helpful in keeping in touch with classmates and friends. Building upon the contact information that was published in the previous Alumnae Directory of 1995, we are now pleased to include e-mail addresses among alumna contact information, as well as advanced degrees earned, and basic information on alumnae families, their spouses, and their children. Remember that you can always update your contact information with the College by visiting <http://www.sbc.edu/alumnae/contact/new.html>.

It is so important for alumnae to be actively engaged in the life of Sweet Briar College. You can become involved in a variety of ways – tap into the passion you have for your Sweet Briar experience, and give yourself the pleasure of participating in Alumnae Association programs, in the following ways:

- You can assist the efforts of the Office of Admissions and help recruit qualified students to the College.
- You can return to campus to be an Alumna-in-Residence, and share your career or life experience with current students inside and outside the classroom.
- You can offer your time and talents to the Development Office and volunteer to assist with its fund-raising efforts for the College.
- You can bring College visibility to your hometown by participating in Alumnae Club activities, and sharing information about Sweet Briar with others.
- You can continue your love of lifelong learning by traveling with Sweet Briar on an alumnae tour abroad, or returning to campus for Alumnae College or Alumnae Council Weekend.
- You can become an Alumnae Association leader by serving as a class or club officer, or an Alumnae Board member; you can also actively encourage your classmates and friends to attend Reunion Weekend, Alumnae Council, and other Association programs.

Please do come back to Sweet Briar College, and stop in at Association headquarters in the Boxwood Alumnae House. The Alumnae Office staff is ready to welcome you and provide information and assistance. Plan to tour the fascinating Sweet Briar Museum and the updated buildings and facilities that are part of the College's Historic District, enjoy the warm hospitality of the Book Shop and Le Bistro, and witness the amazing new Student Commons and Florence Elston Inn and Conference Center. And as you revisit favorite places on our glorious campus, take pride in your relationship with the College, get involved, and keep in touch!

With best wishes to you all.
